September 19, 2013

Dear fellow Competitors,

It was an honor and a privilege to be your Event Chairs for the 2013 Tire Rack SCCA Solo National Championship. The culmination of months of planning and coordination resulted in a team effort to hopefully give you a memorable Solo Nationals experience. Countless numbers of you conveyed your kind words of appreciation to both of us. Thank you! But the true heroes are the amazing Chiefs team and Nationals staff that all went above & beyond to make the event successful.

With a notepad full of new ideas to build upon the success of the Solo Nationals experience, plans are already taking shape for the 2014 Tire Rack SCCA Solo National Championship. As with anything as big as Solo Nationals, there is always room for improvement and new & different concepts.

In addition to the intensive competition that is Solo Nationals, we hope you made time to gather with new & old friends. Solo is not just about FTD, but enjoying the experience with your friends.

Huge thanks to all of the sponsors that made the 2013 Solo Nationals possible: The Tire Rack, BFGoodrich, GoPro, Mazda, Hawk, MotorsportReg, Mobil 1, SafeRacer and Sunoco. And a special thanks to all of the 2013 Solo National Championship contingency sponsors for their continued support. Many thanks to the city of Lincoln, the state of Nebraska, the Lincoln Convention and Visitors Bureau and especially the Lincoln Airpark for their warm hospitality!

But we especially want to thank each and every one of you that made the trek to Lincoln. You are, after all, the lifeblood of Solo. We hope you enjoyed your Nationals experience and return with us in 2014!

Keep looking ahead!

PROTEST SUMMARIES

Protest 13-01

Michael Hill, #95 RTF vs. Clay McCool, #94 RTF

Protester cites a violation of SR 13.5 on the #94 RTF vehicle. Protester claims the camber adjustment and the spring location are beyond allowances.

The Protest committee decided that the spring location had a lack of definition of protest, spring perches appeared to be compliant. The camber adjustment was found to have the strut mounting ears modified but still in compliance with the SRT-4 service manual on ACR alignment procedure.

Protest is disallowed; Protest fee is returned.

Protest 13-02

Samuel Krauss, #94 ESP vs. Kevin Youngers, Chief Steward

Protester cites that he stopped for a down cone from the competitor two in front of him. He completed the course at 80% but hit a cone as he was trying to see how far the car following was from catching him.

The Protest committee reviewed video and conducted a few interviews and decided they could not find sufficient evidence that the competitor violated SR 7.4 and the re-run will stand.

The Protest committee recommends to the SEB they clarify SR 7.4 and 7.9.2 as they contradict each other.

Protest is upheld; Protest fee is returned.
